Please mark the box next to each item of interest. More than one may be selected for each section and marking the box does not commit you to serve, but indicates you have interest or would like more information. Someone may contact you in relation to your survey. If not, please follow up with a committee member, staff member or council member. A more in depth description for many of these items can be found in the Peace Ministries booklet at the information desk. Please note that all of these items are not currently active ministries.
