**WALK FOR  
WATER  
CAMPAIGN**

**SEPTEMBER 11—OCTOBER 30**

On Welcome Sunday this year, Peace will be part of the ELCA's "God's Work. Our Hands." effort and begin a two month long Walk For Water Campaign! This campaign helps provide readily available clean water for millions of people in the world who do not have easy access to it. Together we hope to raise enough money to build 400 ft. of irrigation canals to bring water closer to rural communities in Africa and Asia.

It's simple to participate and this campaign is for EVERYONE! Sign up on September 11 and pledge an amount (15¢, 25¢, \$1.00, etc.) for every mile that you will walk, bike, run or swim between September 11—October 30. Pedometers will be available to help you keep track of your miles, and/or someone will be available to teach you how to use your smart phone for tracking. Each Sunday, visit the tracking table and record down how many miles you've achieved in the past week.

On October 30th, we will celebrate together the funds that have been raised and all ages are invited to participate in a 5K Walk/Run event.

**Let's walk together to reach our  
goal of \$600!**

**Join the efforts and help  
kick off the campaign on  
Sunday, September 11!**
