SPRING MUSIC FESTIVAL

Sunday, May 21 at 9:00am

The Music Festival Sunday signals a transition from spring music ministry to special music that will happen during the summer at Peace. This Sunday also celebrates the wondrous gifts of music that God bestows upon us, sharing those gifts with one another, and praising God for this awesome time to express our faith through music. We are fortunate at Peace to have people of all ages that will participate in this special music worship time, and we hope that you will join us as our community raises praises to God."
