PRAYER REQUEST

We ask for your prayers for Servidores Mundiales. May God continue to give us the strength and wisdom necessary to be able to follow His vision in the communities where we serve.

We pray for our teams and donors so that God can supply their needs and continue to be a blessing for all.

We ask for your prayers for our staff and their families. We also pray for our pastors and community leaders who are a very important piece in the work we do.

We pray for each of our communities, for each family, for each father, mother and child so they can know more about Jesus and experience the joy of God's love for them.

Hola Amigos!!!

"Give thanks unto the Lord, for He is good; for his mercy endureth". Psalm 107:1

We are almost finished with the year 2017 and we don't stop giving thanks to God for all the blessings that we have received from Him during this time. This year has been full of activities in the places where we serve. We are very proud to be part of the changes that we have seen in our communities.

Showing the love of God through service will always be our main goal in order to make known to others how good and wonderful God is.

It is always our prayer that God continues to use people like you with humble hearts full of service to bring the light of hope to the most needed people.

Thank you all for being part of the Servidores Mundiales family! It is an honor to serve along you.

God bless you!

October Missionary Team

In October we worked together with a missionary group in the construction of three houses in the community of Los Anones, San Cristobal. We had a very blessed time.

The houses were finished on time and we had very interesting moments sharing with families while we built the houses with them. At the end of the week we had a special dinner with all of them and we were able to give mattresses for each family.

Here are some photos taken in the month of October. Enjoy them!!!
